

WEBSITE SERVICES

MYH helps nonprofits, mission-driven organizations, entrepreneurs, and small businesses turn vision into visibility—and visibility into lasting value. Below is the full suite of website & managed services we deliver, guided by our Define · Design · Deploy methodology.

01 DEFINE

Understand your why, audience & goals

02 DESIGN

Craft strategy, brand & creative

03 DEPLOY

Launch, manage & measure results

01 WEBSITE STRATEGY & PLANNING

Start with why before a single pixel—so your site earns its keep.

- Discovery & goal-setting
- Sitemap & UX architecture
- Competitive & content audit
- Platform & hosting consulting

02 CUSTOM WEBSITE DESIGN & BUILD

A site that looks like the leader you already are.

- Custom responsive design
- WordPress & Elementor build
- Landing & campaign pages
- Content & copy integration

03 UX, MOBILE & ACCESSIBILITY

Every visitor, every device—on-brand and welcome.

- Mobile-first layouts
- Accessibility (WCAG-minded)
- Brand & style consistency
- Navigation & conversion flow

04 SEO, LAUNCH & MIGRATION

Get found, go live, and grow.

- SEO foundations & indexing
- Domain, DNS & launch
- Site migration & redirects
- Search Console & sitemap

05 INTEGRATIONS & AUTOMATION

Connect the tools that run your business.

- Bookings & scheduling
- Forms & lead capture
- CRM & Microsoft 365
- Analytics & tracking

06 WEBSITE CARE & MANAGED SERVICES

Fast, secure, and current—handled for you.

- Updates, security & backups
- Performance monitoring
